To Whom it may concern:

This certifies that I attended Pte Ernest Arthur Tree during his illness and up to his death on January 25th 1920. Death was due to an acute Pulmonary Tuberculosis with Empyaemia. As this occurred four months after his discharge and after three and a half years service overseas, I wish to certify that in my opinion the man contracted the disease while in the Army and should not have been discharged class A.

deceased.
Entry granted 7th August, 1915.

This settler enlisted on the 4th March, 1916, and was discharged on the 19th September, 1919 (demobilization). Died 25 Jan., 1920.

According to a statement from the Board of Pension Commissioners however, Mr. Tree died of pulmonary tuberculosis which, in the opinion of the Board, was due to war service, and his widow is being paid pension accordingly.

Sir,

I beg to acknowledge the receipt of a statement filed by you in connection with the cancellation proceedings pending against your homestead and pre-emption entries for the S.½ of 12--32--13--W. 4th Meridian, and in reply to say that although regretting the unfortunate circumstances in which you are placed, the Department is unable to grant you further leave of absence from your land later than the 15th June, 1911.

I am also to point out that it will be necessary for you by the date mentioned to satisfy the Agent of Dominion Lands at Calgary that you are then living upon your half section with the intention of remaining there and complying with the regulations in regard to both residence and cultivation and I am to warn you that should you fail to fulfil these requirements you will render your entries liable to summary cancellation.

If unable to comply with the above conditions probably your better plan would be to abandon your entries and obtain permission to re-enter at a later date, when in a position to fulfil the required settlement duties.

Sir,-

I beg to acknowledge the receipt of your letter of the 7th instant, File No. 6000-2007, and in reply am to say from a former communication it would seem that Mr. George F. Chm. is not desirous of retaining his homestead and pre-emption entries for the South half of Section 14, Township 32, Range 12, West of the 4th meridian, but as it is possible that he may have changed his plans it is considered advisable before taking further action in connection with the cancellation proceedings instituted to have a careful report made by a homestead inspector, setting forth whether or not he is in residence on the land and in other respects complying with the regulations.

You will be good enough to issue the necessary instructions forthwith and point out to the Inspector the advisability of seeing the homesteader personally and ascertaining his intentions.

In defence of the cancellation proceedings instituted in March, 1911, the entrant filed a defence claiming nothing in the way of residence, cultivation or improvements, but stated he had had exceptionally bad luck in the way of sickness and financial losses, in view of which the proceedings were held over until the 15th June following, by which date the entrant wrote the Agent that being unable to comply with the conditions attached thereto, he would let his entries go by default: in reply to which he was forwarded a form of abandonment on which he took no action. As he was not further heard from a report was called for which has since come to hand, and which I will quote in full:-

Sir:

I beg to acknowledge the receipt of your letter of the 2nd instant, and in reply I am to say that it is contrary to the practice of the Department to permit settlers holding both homestead and pre-emption entries unless they have perfected their entries by going into residence and making improvements within six months from the date of the entries, or unless they can show that they are prevented from going into residence owing to uncontrollable circumstances. It is to be regretted that your request cannot receive favourable consideration, and you should go into residence at once if you desire to retain your entries.

Sir,

I beg to acknowledge the receipt of a statement filed by you in connection with the cancellation proceedings pending against your homestead and pre-emption entries for the S.½ of 12--32--12--W. 4th Meridian, and in reply to say that although regretting the unfortunate circumstances in which you are placed, the Department is unable to grant you further leave of absence from your land later than the 15th June, 1911.

I am also to point out that it will be necessary for you by the date mentioned to satisfy the Agent of Dominion Lands at Calgary that you are then living upon your half section with the intention of remaining there and complying with the regulations in regard to both residence and cultivation and I am to warn you that should you fail to fulfil these requirements you will render your entries liable to summary cancellation.

If unable to comply with the above conditions probably your better plan would be to abandon your entries and obtain permission to re-enter at a later date, when in a position to fulfil the required settlement duties.

Sir,

Re N.W.T. of 20-16-10 W.4th M.

I beg to acknowledge the receipt of your letter of the 15th ultimo, wherein you make application for a refund of the value of improvements and amount paid on account of the purchase price in connection with your former pre-emption entry for the above described quarter-section, and in reply would say the improvements have been valued by a Homestead Inspector at $115.00 - which amount has been collected from the present entrant - and you apparently paid $18.00 on account of principal, a total of $173.00. To offset this, however, you are indebted to the Department for seed grain amounting to $76.00 with interest at 5% from the 6th April, 1914, amounting to $3.80, a total of $82.80, and the required amount will be appropriated to discharge the same, in which connection you will be advised in due course.

Under the circumstances you are entitled to a refund of the balance, namely $90.20, and a cheque for this amount will be forwarded to you as soon as possible.

MEMORANDUM.

Mr. Perrin.

N.E.¼ 21-16-10-W.4th M.
Purchased homestead-Ole C. Carlson (deceased).
Obtained entry on May 29, 1916.

TILLEY AREA.

With the exception of payments, a satisfactory application for patent was made by the entrant on the 21st November, 1919. A Certificate of Recommendation issued, which expired on the 26th February, 1921. With interest to the 1st November, last, the amount owing on account of the purchase price amounted to $303.93. With interest to the 31st March, 1927, the seed grain indebtedness amounted to $307.46.

On the 4th March, 1922, Mrs. Mary Carlson, the widow, stated that her husband died on the 12th December, 1920, and she was residing on her homestead and was farming the land every year.

Letters of Administration under date of the 24th April, 1922, are on file in favour of the widow, Mary Carlson.

On the 9th October, 1923, Inspector Marcombe reported that Mrs. Carlson was in residence on homestead, and good improvements on homestead and purchased homestead. He stated that she would pay some money last fall.

On the 17th December, 1923, Mrs. Carlson paid $25.00 on account of seed grain indebtedness.

On the 27th April, last, Inspector Bowyer reported: "No improvements or cultivation". General Remarks: "I beg to report that the family of deceased entrant inform me that they do not desire to hold the above land and I would recommend cancellation. The land is of poor quality, suitable for grazing only."

Cancellation proceedings were then instituted on the 21st May, last. No defence has been filed and an abstract of title shows the seed grain lien registered against the land on account of $306.00 and a caveat registered on behalf of the Municipality.

I would recommend summary cancellation and the land be reserved to be included in the supplementary lease to the Province, it being situated in the Tilley area.

In this connection the records indicate that the lien in question was incurred by L. J. I beg to inform you that Mr. W. This Department is in receipt of your letter dated the 21st ultimo having reference to a seed grain and fodder account which you have against the above land granted to J.V. Trenery in 1918 and 1919.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose.

Re: Account of John V. Trenary
N.W. 20-16-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 and 1919 fodder and seed grain amounting to $245.90 were advanced to John V. Trenary on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 245.90	$ 525.58	$ 771.48

The N.W. 20-16-10-W4 was formerly the purchased homestead entry of the debtor whose entry was cancelled on the 6th of July 1927 and the land is still Crown Land Held in the right of the Province.

In reply to our questionnaire of the 21st of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 32599 by Stein Martin and Tryeve Gleddie of Tilley, Alberta, whose lease does not expire until August 1st, 1964.

"According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

C.F. Gilchrist.

A careful search has been made in all the Branches of the Department, as well as at the Land Agency, and so far they have not been found. The Agent of Dominion Lands at Red Deer has reported that they must have accompanied his weekly return for that period.

The assignments of the Halfbreed locations were filed in the Department in May, 1909, by the Canadian Bank of Commerce at Hardisty, Alta., and they have

have not yet been registered on account of the missing Scrip, and the Manager of the said Bank in a recent letter enquires as to the cause of the delay in issuing the patents to Mr. Sather, the assignee.

Under the circumstances, in my opinion, the Department should deal with these cases in the usual way, notwithstanding the fact that the Scrip and the South African Volunteer Certificates in question have been destroyed or mislaid, and I therefore beg to recommend that I be authorized to act accordingly.

Dear Sir,-

Again referring to your letter of 17th. November last, Mr. Gather called on us today and stated that if he were compelled to take either the North half or the South half of North West quarter of Sec. 30 Township 39 Range 6 West 4th. he would only have at the best perhaps 80 acres of land that was not covered with water, and that it hardly seemed fair to him when he had purchased with the understanding that he would get the West half.

He however now states that if you will consider his taking the West half of the above mentioned section, he will be willing to allow a road allowance off of the north of this eighty acres so as to permit access to the other half of the quarter section.

Thanking you for further advice in this matter which we shall at once forward to Mr. Gather, we are,

According to our plan there is no water on the S½ of SW¼ Sec 30 - 39 - 6 - 4; but of course they may be right in their contention that there is water on it.

The proposition to reserve a strip along the north side of the West half of this ¼ Sec is feasible provided that such a strip is so situated as to the surface of the land, that it could be used for a road, it should be at least 66 feet wide. The reservation would not affect the land in the Province for a roadway.

Sir.

The Manager of the Canadian Bank of Commerce at Hardisty has handed me a copy of your letter of the 2nd January last, your reference 166/348, in which you state that a patent is being prepared for the North Half,(not the West half) of the N.W. of 30-39-6- West of the 4th Mer. I understood from previous correspondence that if I was agreeable to have a strip of 66feet reserved along the northern boundary that a patent would be issued for the West half. The North half would not be any good to me as a great part of it is water and I would not get more than 30 acres of land, whereas the west half would give me about 70 acres.

I would be obliged if you would let me know if the patent cannot be arranged for the West half.

Yours faithfully.

LAND PATENTS BRANCH,

Ottawa, March. 16th *1912*

MEMORANDUM:-

W. O. Cote, Esq., I. S. O.

Chief of Branch.

Re Mr. P. L. Sather's letter of the 2nd inst.

On the 17th of August 1910, Mr. Sathers was advised in respect of the assignment to him of the west-half of the north-west quarter of section 30-39-6,west of the 4th Meridian, that the description of the lands would have to be changed to either the south-half or the north-half of the quarter section, so as to give access to the south-half of the quarter section from the road allowance.

On the 9th of March, 1911, the Manager of the Canadian Bank of Commerce, on behalf of Mr. Sathers, wrote stating that Mr. Sathers had called on him and said that if he were compelled to take either the north-half or the south- half, he would only have at the best perhaps 50 acres or less, that was not covered by water, and it would hardly seem fair to him when he had purchased with the understanding that he would get the west-half. He however states, that if you will consider his taking the west-half of the above section, he would be willing to allow a road allowance off the north of these 80 acres so as to permit access to the other half of the quarter section.

On the 9th of May, 1911, the Manager of the Bank was advised that the location may be allowed to stand for the west-half, subject to the reservation of the 66 foot strip along the north boundary for the

purpose

purpose of access.

On the 4th of November, 1911, the Manager wrote referring to ours of the 17th of August, 1910, in which we offered either the north-half or the south-half and he stated that we said therein " Provided that Mr. Sathers would allow 66 feet for a road allowance " (Our letter did not make any such statement.). He interviewed Mr. Sathers who stated that he desired the north-half and that he would be glad if the patent would be issued early.

On the foot of this letter you placed a note, that in view of the above the location should be changed from the west-half to the north-half and that no reservation for road would be required and patent was issued accordingly.

Mr. Sathers contention now is that the north-half would be no good to him and asks if the patent could not be arranged for the west-half. There has evidently been some misunderstanding in the matter.

I would suggest that as the department was willing to grant Mr. Sathers the west-half, less a strip for the roadway along the north boundary, that he should be asked to revest in the Crown the portion which was patented to him viz., the north-half of the north-west quarter, and that a new patent should be issued for the west-half, less the roadway.

Dear Sir:

Re Scrip - Miss Fleming

On the 8th of May, 1911, you wrote us stating that you had at last decided to grant to Mr. Sather the East half of the North West ¼ of 33-33-6 W 4th Meridian, and in your letter of January 2nd, 1912, you advise that the assignment to him had been registered in your Department under #12113, and that the patent was in course of preparation for the North ½ and that the West ½ of the N. ½ of 32-33-6. We wrote you several times regarding this matter and explained to you fully that it was not fair to Mr. Sather to let him do have this portion of land, and he is very much surprised and also disappointed at the treatment afforded him. In your last to the Land Agent at Dauphin, the matter had proceeded it to that point but as yet Mr. Sather has had no reply. As we would appreciate it very much if you would see if possible to have the West half as granted by you.

Yours truly,

Manager

Sir,

Replying to your letter of the 22nd May last, in relation to the application of Mr. Peter L. Sather to acquire the W.½ of the N.W.¼ of Section 30, Township 39, Range 6, West of the Fourth Meridian, instead of the N.½ of the said quarter section, I am directed to inform you that, in view of the statement as contained in your letter of the 4th November last to the effect that Mr. Sather desired to acquire the said N.½, patent for the same was issued in his name on the 27th December last.

I am to add that, under the circumstances, it would not appear possible to comply with Mr. Sather's request.

MEMORANDUM

APPLICATION TO PURCHASE

of Bastian Sather

Fr. S½ of N.W. ¼ of Section 30, Township 39, Range 6, West of the fourth Meridian,

containing 70.6 acres, shewn on sketch attached, hatched in red.

I beg to submit for consideration and decision the application above referred to. The land applied for is available according to the records of the Department and the applicant was granted homestead patent in November last for the South West ¼ of the Section in question, shown outlined in red on sketch.

The Homestead Inspector is of the opinion that the parcel in question should be sold to the applicant at the rate of $3.00 per acre.

The North ½ of the quarter-section in question (bordered black on sketch) has been patented to Peter L. Sather as a H. W. H. B. scrip location.

This person was desirous of securing patent for the West ½ of this quarter-section, but it was decided that he would have to select either the North ½ or the South ½ of the quarter-section in question so as to give access to the balance of the land from the road allowance. As pointed out the North ½ of the quarter-section was selected.

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that on the 20th of May, 1909, Mr. James J. Pennington was granted pre-emption entry for the South West quarter of Section 10, Township 43, Range 6, West of the Fourth Meridian. It was afterwards discovered that this entry had been granted in error, the land not being in a township in which pre-emption entries may be granted. Mr. Pennington's entry was accordingly cancelled on the 2nd of August, 1910. In the meantime Mr. Pennington had made considerable improvements on this quarter-section, including sixty acres of breaking, and the undersigned recommends, in consideration of the improvements made, that authority be given for the sale of this quarter-section to the entrant at the rate of Three Dollars ($3.00) per acre, payable one fourth in cash, and the remainder in three equal annual instalments, with interest at five per cent per annum.

Respectfully submitted,

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that on the 10th of May, 1909, Mr. B. Mr. Simmerman's entry was subsequently cancelled on the 1st of August, 1910.

It has therefore now been decided to grant the applicant a homestead patent for the land, and the Minister of Interior asks, for the usual Order in Council, that authority be given for the sale of this quarter section to the applicant at the rate of three dollars per acre or the total amount of the fees required by the regulations in connection with an ordinary pre-emption entry, and he will refer to Mr. Simmerman in order, it being further understood that such sale shall not be subject to the settlement duties.

The Minister of the Interior submits, under date 28th October 1910, that on the 10th of May 1909, Mr. H. It was afterwards discovered that this entry had been granted in error, the land not being in a township in which pre-emption entries may be granted. Mr. Zimmerman's entry was accordingly cancelled on the 2nd of August 1910.

The Minister states that, in the meantime, Mr. Zimmerman has made considerable improvements on this quarter section, fencing the land and breaking an extensive area.

Published in the Canada Gazette of ... Vol. ... No. ... the ... week.

The Minister recommends, in consideration of the improvements made, that authority be given for the sale of this quarter section to the entrant at the rate of Three Dollars per acre on the terms and subject to the performance of the duties required by the regulations in connection with an ordinary pre-emption entry, such as was granted to Mr. Zimmerman in error, it being further understood that such sale shall exhaust Mr. Zimmerman's pre-emption right.

Sir,-

S.W. ¼ of Sec. 32 Tp. 7 Rge. 5 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Mr. A. Hunter,

Dear Sir:

Re: [illegible] Lot [illegible]

This party obtained a relief advance in the year 1938 from the Manitoba Government in a sum of thirty-three dollars and forty-five cents ($33.45) in which respect there is outstanding thirty-one dollars and twenty-five cents ($31.25) as at 30th of June, 1944.

As security for this advance liens appear on title to the above described land which, however, passed to the Crown under tax recovery proceedings.

The Department of Municipal Affairs now advises that this property was sold for six hundred dollars ($600.00), which is reported to represent the fair sale value and the sale has been approved by the Minister of Municipal Affairs. An application has been made for an adjustment of the [illegible] under the liens on the grounds that total charges against the land exceed the value of the property.

In addition to the [illegible] liens there were outstanding at the time of sale taxes in a sum of eight hundred and forty-three dollars and eighty-nine cents ($843.89), and, I would recommend that after deducting costs in a sum of five dollars ($5.00) the balance of the proceeds of sale be distributed pro-rata as follows:

DOMINION LANDS OFFICE

Posting of Soldier Settlement Land.

E.O.Ref.1867855 Edmonton, Alberta, August 21st, 191 8

Notice is hereby given that after the expiration of 10 clear days from the date thereof, that is, on and after the 1st Sept. 1918, the N.E. ¼ of Section 30 Township 53 Range 16 West of the 5th Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(b) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"'Settler' means any person who has served in the naval or military expeditionary forces of Canada during the present War, or who was engaged in active service during the present War in the naval or military forces of the United Kingdom or of any of the self-governing British Dominions or Colonies, or who, being a British subject resident in Canada before the War has been engaged in active service at one of the seats of war in either the naval or military forces of any of His Majesty's Allies in the present War, and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service."

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorised to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $.....

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land $..... If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over any other applicant is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it had not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

The question to be decided now is whether this money should be forwarded to Mr. Krause by the Dominion, or whether this payment should be retained here under the Clause of the Alberta Agreement dealing with the transfer of Public lands generally, leaving the question of compensation for the right of way to which Mr. Krause is entitled to be settled by the Province.

L.B. Taylor.

Note:

Mr. Hume stated that in another somewhat similar case information was received that no money was available.

I may add that the original file of papers in this case has gone to the Province, but I may state that in accordance with past practice in such cases there was no commitment by the Dominion to pay the money received from the Railway Company to the homesteader. However, it was clearly the intention to do so in the event that the homesteader obtained title to his homestead, as such was the practice in similar cases. In the event that the homesteader abandoned his homestead, the Railway Company would then receive a free grant of its right of way, if not yet paid.

AUG 2 1932

The accompanying Memorandum to Council deals with a case where, prior to the transfer of the natural resources to the Province of Alberta, the Lacombe & North Western Railway Company acquired for a consideration of $66.62 a small area for right of way purposes in the unpatented homestead of Reinhold Krause, the North East quarter of Section 35, Township 48, Range 2, West of the 5th Meridian, and paid such consideration in to the Department of the Interior, on the understanding that the same would be refunded to the homesteader upon his completing the duties requisite for obtaining Letters Patent.

The Department closed out with the Railway by issuing Letters Patent for the area acquired for railway purposes.

The practice of dealing with these consideration moneys, as indicated, was adopted with the idea of exercising supervision over the dealings of a settler with respect to any part of his holding during the time the same remained unpatented.

According to the Departmental records here, the settler in question is not indebted to the Dominion Government for advances of seed grain or relief.

The Department of Lands and Mines, Edmonton, has reported the issue of homestead patent to the entrant.

It is recommended in the accompanying Memorandum to Council that under the provisions of an Act assented to on the 13th May, 1932, authority be granted to refund the said amount of $66.62 to Mr. Krause.

This is similar to other cases where authority was recently granted by Council for making refunds.

Sir,-

S.E. ¼ Sec. 20 Tp. 54 Rge. 2 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Gentlemen:

A search of your records will, I believe, show that one William Howard Kinsey, a United States citizen who left Canada in 1922, applied for a homestead in the Province of Alberta on April 12, 1907.

Since I was born in Canada and it is my desire to establish United States citizenship the Department of Justice of the United States has requested that I have a statement from you, sufficient for legal purposes, to the effect that my father, William Howard Kinsey, did not "prove up" His homestead.

I am not sure that yours is the correct department for this type of record and if not, will you be kind enough to forward it to the right office.

Upon being advised of the charge for this service I will send you a check immediately.

Thank you for your co peration.

Very truly yours,

Alice A. De Lisle

TO WHOM IT MAY CONCERN:

This is to certify that I have this day examined the marginally noted man and find that he is suffering from marked debility due to disordered action of the heart.

This, in my opinion, will effectively prevent his complying with the requirements of the Land Titles, and this condition will in all likelihood be permanent.

"This is to certify that I have
"this day, examined the marginally noted

"marked debility due to disordered action
"of the heart.

"This, in my opinion, will effectively
"prevent his complying with the requirements
"of the land titles, and this condition will
"in all likelihood be permanent."

It should be noted, however, that the
forwarding certificate was on the file, as was also
a copy of the medical history of Mr. Brietzke-
[illegible] by the Board of Medical Examiners
for the District. (When the case was submitted previously.)

On December 17, 1919, I have
received a statement showing in part the actual
improvements made by Mr. Brietzke and apparently
performed and in the five years of active
service - either of which is more than sufficient
to meet the requirements of the entry as to residence.
In the way of improvements, it appears that Mr.
Brietzke's work has consisted of [illegible] cultivation, a two-
story frame house, log barn, 1½ miles wire fencing,
(value not stated). Moreover, the land appears to
be covered with brush and it is, therefore, no doubt,
more difficult and expensive to break than prairie
land.

Under the circumstances, I have no doubt
that on investigation and report by a Cheyenne Inspector,
the Department would be in a position to accept as
sufficient the cultivation duties performed but, of
course, it would be necessary for Mr. Brietzke
to make application for patent if the case is to be
dealt with on that basis. His objection, however,
to making application for patent is that it would be
necessary for him to go to considerable expense in
order to secure witnesses to corroborate his statements,
[illegible] and like the other cases. [illegible]
[illegible] a friend of his, who resided [illegible]
[illegible] Lithgow Talent under the provisions of Section 2
the act, [illegible] would be in position to submit
[illegible] statements.

To apply for patent
in the regular way
would involve no expense
to Mr. Brietzke,
as the Inspector would
hunt up witnesses.
It would however involve
delay, which he objects
to.
If he gets patent as
desired it would
probably cut him off
from the benefits
of the Soldiers Settlement Act

[illegible] Whatever action is taken in the premises, I would be inclined
to recommend that the case be dealt with under the pro-
visions of Section 2, in view of the medical certificate
of [illegible] the basis of actual improvements
as I have [illegible] mentioned. [illegible] would be justifiable
in the circumstances. The matter involved is not sum-
ciently important, in view of Mr. Brietzke's
military service and evident endeavors to make good, it
seems to me, to [illegible] the Department to deal with on the
most favorable terms.

Copy to the A.D.L. Calgary.
Rel. 1 19061 Rdb.

OTTAWA. 31st May, 1913.

Sir,-

S.E. ¼ Sec. 30 Tp. 42 Rge. 26 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Herman Dettlaff, Esqr.
Thorne,
Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

P.S. If you will communicate with the Agent of Dominion Lands at Calgary he will inform you whether the S.E. 30-42-26, 4th Meridian is vacant and available for homesteading.

Department of the Interior,
Ottawa, 2nd December, 1912.

The Deputy Minister
of the Interior.

Your Reference 8,150 below is a night lettergram dated the 29th ultimo from Mr. W. H. McLaws to the Honourable Senator Lougheed, having reference to the application made by The Rosedale Coal and Clay Products Company, Limited, for permission to acquire the surface rights of the North West quarter of Section 28, Township 28, Range 19 West of the 4th Meridian, under the provisions of the Coal Mining Regulations, which quarter section is the homestead of Mr. John Dart.

The above company are the lessees of nearly eighteen square miles of coal mining rights which they have acquired by assignment, and under the regulations and the practice of this Department they would therefore be entitled to purchase the surface rights of about 1,150 acres of the land overlying their leaseholds for the efficient operation of the under rights.

Mr. Dart would appear to have entered into an agreement with the above company to abandon his homestead, the North West quarter of Section 28, in consideration of the sum of $1,200.00 for improvements, in order that the company might acquire the surface rights of this quarter section for the operation of their mine.

On

On the 22nd of November, 1910, Lease No. 414 was issued in favour of Mr. John Steinbrecher, comprising the coal mining rights under certain lands, including the North West quarter of Section 22, and on the 3rd day of May last an assignment from Mr. Steinbrecher to The Rosedale Coal and Clay Products Company, Limited, was accepted and registered in this Department.

On the 14th ultimo Mr. Dart was advised in a letter written from Head Office, File 1,[illegible],136, that The Rosedale Coal and Clay Products Company, Limited, had yet to file here a transfer to be executed in favour of the above company by Mr. Steinbrecher and to be registered here; that when such action had been completed he would be advised; that if the terms of his agreement were then carried out, and the company paid him the price agreed upon, $1,200.00, he would be entitled to execute the form of abandonment which had been mailed to him; and that he would then be in a position to obtain entry for another homestead.

As the assignment from Mr. Steinbrecher to the company was registered here on the 3rd of May last the above advice was not correct, and in the telegram below from Mr. McLaws he complains of the delay in registering this assignment.

The coal mining rights under the North West quarter of Section 22 are the property of the above company. Under the regulations they are entitled to purchase a reasonable area of the surface rights for the operation of their coal mining rights; and therefore if Mr. Dart is prepared to relinquish his homestead there would appear to be no objection to the sale of the surface rights of the

Alberta

quarter section in question being immediately carried out. This is the advice which I think Mr. McLaws desires. Mr. Dart should be advised that the company own the coal mining rights under his homestead, and that he is at liberty to immediately carry out the agreement which he would appear to have made with that company for the relinquishment of his homestead.

Respectfully submitted,

W. H. Rowatt.

Re Mr.Frank Pulmer's letter and assignment of Half-breed location in his favour.

I beg to return the letter from Mr.Frank Pulmer, dated Edmonton,the 3rd instant,respecting an assignment in his favour,which has been returned to him by the Department as it had been executed by a Half-breed minor. Mr.Pulmer states that he bought the scrip through a broker,and that he cannot afford to lose the money he paid therefor and he wants the land upon which such scrip is located. He asks to be advised in the matter.

An assignment from Magloire Nametcmakan of the N.½ of the S.W.¼ of section 27,township 55,range 17, West 5th meridian,upon which land he had located his scrip in favour of Mr.Pulmer,was returned to the latter on the 25th ultimo,as it could not be accepted by the Department on account of the assignor being a minor,his baptismal certificate on file here showing that he was born on the 24th July,1890,and he will not ,therefore, reach his majority until the 24th July,1911.

It does not appear possible for the Department to assist Mr.Pulmer in this matter in any way as the assignment in question will have to be re-executed or confirmed by the assignor after he has reached his majority

Minister of the Interior.

before it can be accepted by the Department. In the meantime,however,in accordance with our usual practice in such cases,the issue of the patent for the land in question will be stayed.

Dear Sirs:-

Yesterday Chas. Hiller and Louis Arsenault [illegible] transfer to myself for the North half of the S.W. quarter of Sec. 27 Tp. 53 Range 17 W. of the 5th. Meridian, executed by Magloire Rabbitmahon, the Breed to whom the Scrip was issued which was applied to the said land on or about the 15th of January 1910.

By referring to your file number 1564861 you will see that the issue of patent to me was refused on account of the Breed being under age, he not attaining his majority until July 24th 1911.

I have secured at heavy expense a new transfer from the party, and it will be sent to you for the issue of patent.

As you know, I am now under appointment by the Department as a sub agent of Dominion Lands, and as such would not be qualified to have any new business in Dominion Lands, but I have discussed the matter with the Minister, Mr. Oliver, and he advises me that if I write to you and explain the situation, that this transaction dates back previous to my appointment, that the patent will be issued at once, and I trust that this will be the case, as we have had a long and irksome wait.

The transfer was returned to me with the number [illegible] stamped on it, but a new one has been executed, as the first will not be wanted.

I would take it as a very great favor if patent could be issued as soon as convenient, as I wish to make further improvements on the land, and the situation is not comfortable without title.

Respectfully Yours

Frank Julian

RECEIVED

Dear Sir:—

I notice in the paper that a second homestead entry is allowed to those who have homesteaded prior to 1908.

I filed entry for S.W. ¼ Sec. 27 Tp 53 R. 17 W 5th mer. on or about 21st 1909, and in the fall, being unable to get time to take up residence was obliged to pay homestead fees to secure the land, losing thereby my homestead rights. For family reasons, I should like to take up residence there, and am writing to ask for the necessary authority.

Hoping you can do me this favor by return of mail, I remain

Yours very truly,

Sir,-

S.W.¼ Sec. 27, Tp. 53, Rge. 17, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1886, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Therefore, if you are the person who voluntarily relinquished your homestead entry for the quarter-section above described to locate half-breed scrip thereon and subsequently received patent therefor and provided this is the only land for which you have obtained patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter-section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

Re:-Hans Jensen,
N.½. 6-2-13-4. 4th Mer.,
N.E.¼. 1-2-14-4. 4th Mer.,
Provincial Seed Grain and Relief,
Supplementary to Board Order No. 2615.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Provincial and Joint Relief, charged against the N. ½. 6-2-13-4. 4th Mer., and the N.E.¼, 1-2-14-4. 4th Mer., for advances made to Hans Jensen, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated May 25th, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That by Board Order No. 2615, it was recommended that the liens charged against the N.W.¼. 6-2-13-4. 4th Mer., be discharged as this quarter section was the debtor's cancelled pre-emption and it was not desirable that the new entrant for this land be required to assume any portion of the indebtedness of the original entrant and it is understood that this recommendation has been accepted.

2. That under Board Order No. 2615, it was recommended that the liens charged against the N.E.¼. 6-2-13-4. 4th Mer., be discharged for the reason that the first Mortgagee had foreclosed upon the security and had become registered owners of said land, and it is understood that this recommendation was accepted.

3. That under Board Order No. 2615, it was recommended that the liens be retained as a charge against the N.E.¼. 1-2-14-4. 4th Mer., being additional land in which the debtor was interested, title to which had passed to the Department of Municipal Affairs, under Tax Recovery Proceedings.

4. .....

4. That it has now been ascertained that at the time the advances were made the debtor was the owner of the N.E.¼, 1-2-14-4, 4th Mer., subject to mortgages in favor of Louis and Glen Pettera, which had priority to all liens.

5. That the Mortgagees foreclosed upon their security and became registered owners of said land in the year 1921, and that by such foreclosure all liens were eliminated therefrom.

6. That after becoming owners of said land the Mortgagees sold same to Walter A. Graham, who became owner thereof clear of all encumbrances.

7. That the purchaser Walter A. Graham, failed in his farming operations and title to the land passed to the Department of Municipal Affairs, under Tax Recovery Proceedings, clear of all encumbrances and the land does not afford any security for the said advances.

8. That all trace of the debtor has been lost for several years and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Honorable,

The Tax Consolidation Board, hereby recommends that the liens charged against the N. ½, 6-2-13-4, 4th Mer., and the N.E.¼, 1-2-14-4, 4th Mer., for advances made to Hans Jenson, be discharged.

The Board submits in support of this recommendation:-

1. That by Board Order No. 2615, it was recommended that the liens charged against the N.E.¼, 6-2-13-4, of 4th Mer., be discharged as this quarter section was the debtor's Cancelled pre-emption and it was not desirable that the new entrant for this land be required to assume any portion of the indebtedness of the original entrant and it is understood that this recommendation has been accepted.

2. That under Board Order No. 2615, it was recommended that the liens charged against the N.E.¼, 6-2-13-4, 4th Mer., be discharged for the reason that the first Mortgagees had foreclosed upon the security and had become registered owners of said land, and it is understood that this recommendation was accepted.

3. That under Board Order No. 2615, it was recommended that the liens be retained as a charge against the N.E.¼, 1-2-14-4, 4th Mer., being additional land in which the debtor was interested, title to which had passed to the Department of Municipal Affairs, under Tax Recovery Proceedings.

4. That it has now been ascertained that at the time the advances were made the debtor was the owner of the N.E.¼, 1-2-14-4, 4th Mer., subject to mortgages in favor of Louis and Glen Pettera, which had priority to all liens.

5. That the Mortgagees foreclosed upon their security and became registered owners of said land in the year 1921, and that by such foreclosure all liens were eliminated therefrom.

6. That after becoming owners of said land the Mortgagees sold same to Walter A. Graham, who became owner thereof clear of all encumbrances.

BOARD ORDER
No. 5916

D.Z.#48 S.S.S.

May 25th, 1932.

L.J. Frean, Esq.,
Chairman, Seed Grain and Relief Adjustment Board,
EDMONTON - ALBERTA.

Dear Sir:-

Re: Hans Jensen,
N.½-6-2-13-W.4th Mer.,
N.E.1-2-14-W.4th Mer.,
Prov. Seed Grain and Relief.
Supplementary to Board Order #5615.

By Board Order #5615 it was recommended that this man's indebtedness to the Dominion Government be written off as uncollectible. The only security for the Dominion advances was the N.W.6-2-13-W.4th which was the debtor's cancelled pre-emption, and your Board Order #5615, released the now entrant from all liability in connection with the account. The debtor's personal covenant is valueless and therefore the account was recommended to be classified as uncollectible.

The Provincial liens were recommended to be written off in connection with this quarter section, that is, (the N.W.6-2-13-W.4th) for the same reasons.

The Provincial liens were discharged from the N.W.6-2-13-W.4th, by foreclosure of a prior mortgage.

In the Director's report in connection with Board Order #5615 it was stated that further security for this account existed in the N.E.1-2-14-W.4th, in that title to this land had passed to the Crown in the right of the Province under Tax Recovery Act procedure.

It has now been discovered that on title to the N.E.1-2-14-W.4th the Provincial liens were registered, but they were subsequent to two mortgages held by Louis and Glen E. Potters. These mortgages were foreclosed, and by a Vesting Order in 1931, clear title to the land passed to the prior Mortgagees. The Mortgagees sold this property to Walter E. Graham and while he held clear title he allowed his taxes to become in arrears with the result that Tax Recovery proceedings were instituted. Before final title was taken by the Province, Graham paid up his Tax arrears and as a result title was re-instated in his name free of all encumbrance, and it still exists in that position. There is, therefore, no further security for the

R.J. Fraser, Esqr.,

account as all trace of the debtor has been lost.

I recommend, therefore, that this account be written off the Departmental records as being uncollectible. The account appears hereunder:-

This is an application for reinstatement by Private Richard Knowles in his cancelled pre-emption entry for the land above described. The homestead is patented. The duties performed may be considered as set out on the statement herewith marked.

Private Knowles was issued a final notice, expiring on the 1st of April last, and on his failure to comply with the terms of the notice sent his entry was cancelled.

The Agent now writes, however, on behalf of Private Knowles, forwarding a certificate showing enlistment on the 15th of April last for active service overseas, and pointing out that the applicant for cancellation did not take advantage of the thirty days which had been given him to make entry, and that in view of the certificate of enlistment filed he is withholding the land from further disposition, and submits the matter of the application for reinstatement here for further consideration.

Kindly say whether under the circumstances, Private Knowles is to be reinstated free of charge, and the usual protection granted?

Respectfully submitted,

G. Ingle
